Squarage Letter of Support

To Whom It May Concern:

I would like to thank Squarage for coming to our school and leading an amazing career workshop for the students in our school-to-career academy. The students and staff found the information presented to be both relevant for their upcoming entry into the workforce and also entertaining! The morning workshop on Interview Skills was so very valuable to them and will be utilized in our upcoming mock job interviews. And the information about Job Retention, especially how to be a "gifter in the workplace" was very well received. The students were unsure of what to expect when we started but were pleasantly surprised by just how engaging Eric was while teaching them valuable skills. We very much look forward to having Squarage back next year!

Sincerely,

Jamie Anaforian
