**Squarage Letter of Support**

To whom it may concern,

I am writing this letter of support for Eric Fan of Squarage who provided a fantastic Interview Skills and Job Search Prep workshop to our junior and senior high school students. The students were engaged throughout the presentation and Eric taught unconventional but very practical tips that will assist the high school students in their job search. I would highly recommend Squarage to any organization looking for a more innovative career readiness curriculum and looking forward to having them back next year!

Sincerely,  
Kim Dodd
