To whom it may concern,

On December 5, 2019, the Los Angeles County’s Department of Public Social Services held its first ever General Relief (GR) Transition Age Youth Summit (TAY). The GR TAY Summit was designed to be a unique opportunity to engage, motivate and support our TAY population in their pursuit of economic mobility. To assist with this effort, over 30 employers and community based-organizations were on-hand to hire and/or recruit our participants. As a result, approximately 80% of the TAY committed to a pathway in either pursuing their education, enrolling in a training or employment program, or pursuing their own business.

Suffice to say, we can attribute some of this success thanks to Squarage’s participation in the GR TAY Summit. Squarage was able to teach our TAY population about career readiness, including soft skills for interview and job search preparation, in a way that resonated with our attendee’s and with content that we have not seen elsewhere. Squarage’s creativity in delivering their material and curricula certainly enhanced our attendee’s employability and most importantly their confidence. We appreciate the partnership with Squarage and look forward to future collaborations.

Best,

Kelvin Driscoll, GR Special Projects Director
