To Whom It May Concern:

We had the pleasure of having Eric Fan of Squarage host his career readiness trainings for our Freshman, Sophomore, Junior, and Senior Health Careers Academy (HCA) classes over Online Distance Learning. He did an amazing job teaching highly unique concepts and practical strategies to help our Gen Z students adapt to a COVID-19 workforce. Eric showed our students how to prepare and market themselves for the healthcare careers of their dreams such as nursing, emergency medical services, physician assistants and more. His Online Distance Learning was highly engaging, unique, and fun. We highly encourage other programs to collaborate with Squarage!

Best Regards,
