Letter of Support

To whom it may concern,

We want to thank Squarage for their amazing career readiness presentations and their ability to “**edutain**” our students by delivering highly engaging and unique contents. They were able to instruct amazing, new, fun contents on Job Searching and Interview Skills for a post-modern workforce. Squarage truly is one of a kind! We highly recommend other CTE programs and schools to partner and collaborate with their amazing contents!

Best Regards,
Michael Yu
