Letter of Support

To whom it may concern,

We want to thank Squarage for their stellar presentation on Mental Health for Gen Zs in November 2022. It was one of the most engaging and electric sessions we have ever had for our youths. We had 50+ Opportunity Youths attend and came away with highly unique and effective mental health content to help them prepare for their personal lives, academics, and the workforce climate stresses. We highly recommend other CTE programs and schools to partner and collaborate with their amazing contents!

Best Regards,

Jennifer Kay
